WILL need to make up work							
Absence may affect progress / credit							
Absolutely SHOULD NOT miss class							

I have read the above teacher comments regarding the effect of this absence on the student. I understand parents may deny permission to participate based on this information. Parents are encouraged to contact teachers for more information. Students are required to make arrangements with their teacher, before the trip, regarding material missed while on this trip. *Note: This is a revised form for teacher permission to miss class. All other field trip form items are covered on the other forms in the trip permission packet.*
